EDITORIAL

Half the editorial stuff are missing from the office this month. The Editor is full of cold and various age-related ailments. The Art Editor is off out shopping for a new set of darts, and we think the Editorial Assistant might actually have gone and got another job and not bothered telling us. Thus we just let the girls take care of themselves this issue, and we think they've done a pretty amazing job. An all-Brit lez off plus stacks of Yank porn stars? Yeah, they did alright...

KNOBSON'S CHOICE!

Dear Club,

When I finally get round to reading *Club*, it's normally with a big lob-on that is begging to be relieved. But what to do when confronted with my two favourite girls at once? Do I finish over Anneli and then hope I can coax another load out for Mia? Or vice versa. Pondering upon this, I realized the solution is in your hands – a lesbian photoshoot with the two of them. Then my quandaries are solved. How about it?

Earl, Warwick

While we can't fault your taste, we can only say that you're also ignoring the likes of Candice, Melody and Paulina, all of whom certainly received their dose of the salty stuff from the Club massive.

As for getting these two amazing babes together? There's a geographical issue, but we're as excited about the idea as you are. So let's say this: if it happens, we'll get the photos.

Dear Club,

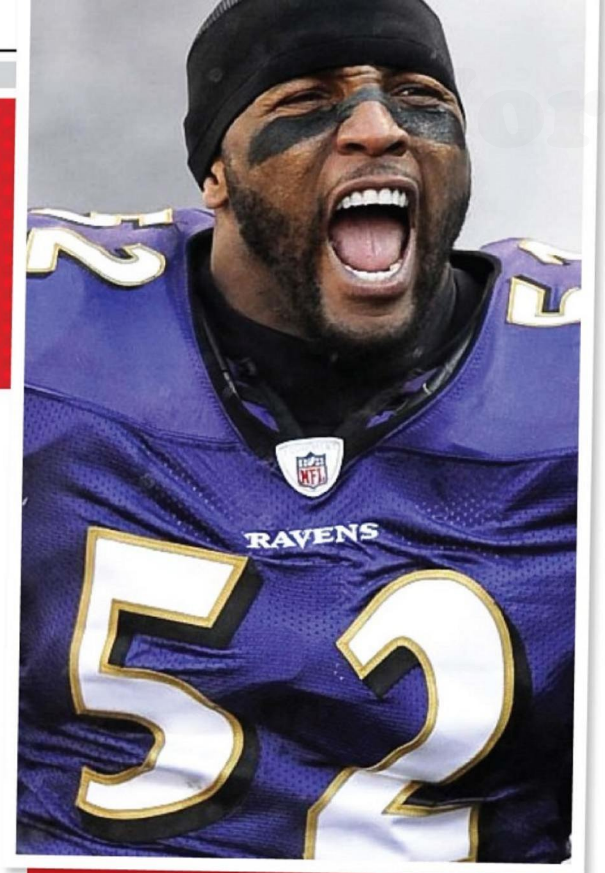
I don't know how many people agree with me, but I'm always guaranteed a better time in bed with more buxom girls. After a series of skinny girlfriends, I couldn't wait to get my latest girl, Miranda, naked and have some fun. I suppose it all depends on what you're into, but there are some things that are just guaranteed to make me shoot my load! The first time she stayed over she obliged me in every way.

I went down on her first, after licking the insides of her full, feminine thighs. As I took mouthfuls of her pink folds, I hooked her legs over my shoulders so I was totally lost between her smooth legs. She was incredibly horny and kept talking dirty, saying, "French kiss my pussy," and, "put your fingers inside me." I did everything she asked, knowing I would have some requests of my own.

With her then sitting on the edge of the bed, she cupped my balls and pulled my dick towards her mouth. I made her push her tits upwards and together, so that my shaft rested on top of them, and then watched as she licked at the tip of my dick. She then put her breasts either side of my cock and began to move my foreskin backwards and forwards, her tongue extended to taste the pre-cum that was glistening at the end. I loved getting my length between a pair of ample tits and could feel my balls against her smooth, warm chest, as my dick pushed upwards through them.

When she took my dick fully in her mouth, I had to concentrate hard to stop myself from cumming all over her tits there and then. Instead, I turned her around, until her chest was squashed flat against the bed, another of my favourite sights, with her chubby butt up in the air. I took my dick and slapped it against her arse cheek, sending a tiny ripple across her bum. She giggled in delight, and after indulging myself with this a few more times, I spread her arse wide, until the curves of her hips were as pronounced as they possibly could be. Taking in this wonderful sight for a few seconds, I inserted the head of my prick into her cunt, as I knew that she couldn't wait much longer.

As I fed my dick deeper inside her, I had to spank her arse one more time and just seeing that jiggle almost made me spunk again. However, I managed to hold it back and was steady fucking Miranda from behind, getting closer and closer to coming. Without warning,



SPURT BILLY!

Dear Club,
I realize you probably won't publish this, as you probably can't stick a picture with a girl with it, and you'll probably get many more interesting letters, but can I be the first to say how much I like your sports column. I'm a bit of an ignoramus about many of the sports in it, but find that it gives me just enough information to take an interest, or have a flutter. It's pretty funny too.
Louis, Chester

You're not the first, Louis, but you're definitely the first we've published. We'll pass on your kind comments to our resident sports scribe Foxy Loxy, who will then probably clamour for a pay rise he simply isn't going to get…

she began to climax and I held her tightly as she ground her bum back against me, keeping my full length inside her until she'd finished.

I was desperate to shower her tits with my cum, and I pulled my penis from her the minute her orgasm had subsided. Turning her onto her back, I clambered onto her hastily, my dick in one hand, and the other trying to push her tits together. She knew what to do, and my shaft was soon between lovely warm flesh, the tip poking out after every stroke as my wad pumped out onto her neck and cleavage.

Watching her rub the biggest load I'd ever shot into those juicy tits was the ultimate sight to end with, and my cock twitched letting out its final dribble of spunk. She pulled me to her mouth and sucked that last bit of jizz straight from the source. Maybe it's just my preference, but that's an experience that's hard to beat. That's why Miranda's my kind of girl.

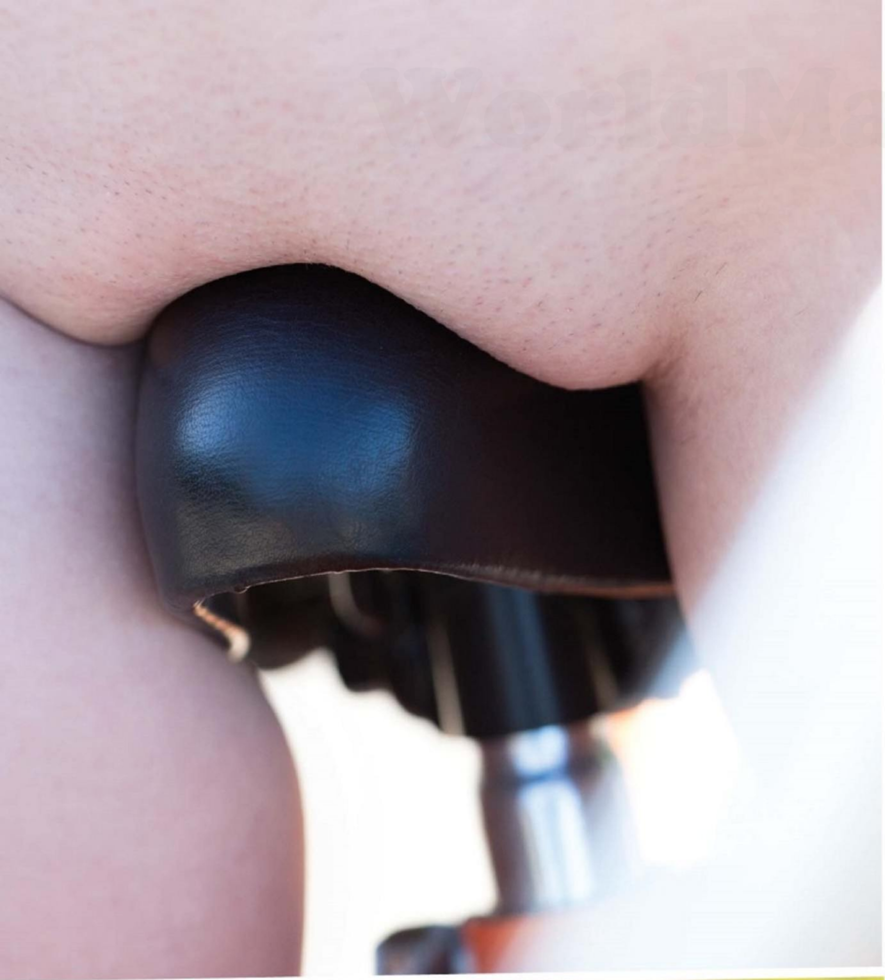
She's Snow joke...



Shae Snow – it's a very fitting name for a girl with the kind of complexion that demands Factor 50 sunscreen and lots of shade.

"It's not my real name, of course," says the budding model and porn star, "but yeah, I had my pale skin in mind when choosing it. There's not that many pale girls in the porn biz – they tend towards heavy tans and make-up. I stay out of the sun – I'm more of a 'stay in playing *GTA*, smoking a fat one, afternoon sex' kind of girl."

You mean you're the perfect wife for us.

"Is that a proposal? I'd marry a Brit – there's little danger of me getting sunburn in the UK!" ♣

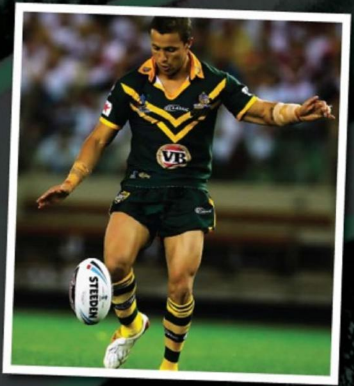
Rugby League World Cup

Various Venues – 26th October to 30th November

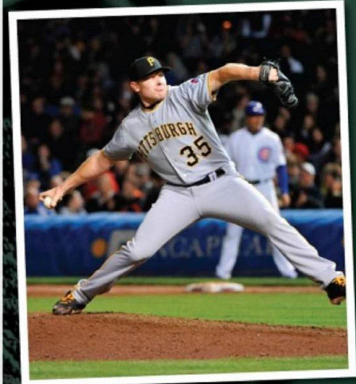
After a turbulent recent history that has seen a slump in popularity, several controversial rule changes and umpteen structural tweaks (some successful, others pilloried) rugby league is back on the big stage, and now is the sport's time to shine. Over sixty-five thousand supporters made the trip to the capital to watch the Super League final between Warrington and Wigan recently, and on the back of that comes the fourteenth Rugby League World Cup, hosted by England and Wales – although inexplicably there are a few group games scheduled to be played in Ireland and France. Cardiff's Millennium Stadium, Wembley and Old Trafford in Manchester, however, are the high-profile venues for the matches that matter.

This is a huge five-week competition that should provide a spectacular showcase for a discipline that has struggled to shake off its bluff Northern working class stereotypes and emerge from the shadows of the dreaded union, its rival code and posher, significantly more popular brother. But in the words of someone famous in league like Ellery Hanley or Eddie Stobart: Let's fuck Twickers and bodywarmers for a bit and watch some proper rugby for a change.

The first thing that people who follow this sage advice might realise is that rugby league is pretty bloody exciting. Unlike union, where play often descends into ugly mauling scrums disguised as an excuse for public school types to tweak ears and fondle ballbags, league is slick, fast-paced and fluid. While union matches often descend into sluggish tactical tussles, league encounters boast power and pace, with the emphasis on attacking and playing the ball quickly rather than writhing around on top of it in a heap or kicking it up the pitch as far as possible.



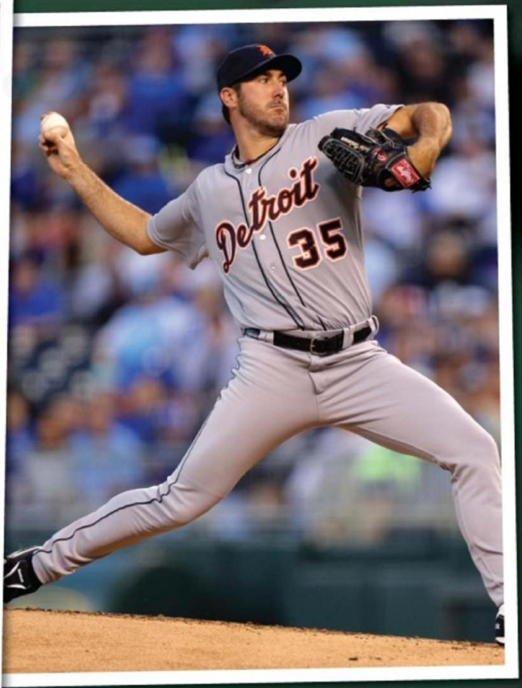
Despite this natural entertainment potential, the success of the World Cup on these shores will inevitably depend on the performances of the home nations. Scotland and Ireland, ranked ninth and eleventh in the world respectively, are, to coin a professional term, going to need a bloody miracle to do anything, although it might pay to be more respectful to Ireland as they are in England's group and might easily spring a bizarre upset. Wales, ranked fifth, are also expected to struggle, even with home advantage, meaning it's perhaps a good job that England actually do have a fighting chance of winning the tournament, otherwise it would be fairly pointless bothering to have it over here. Significantly, Steve McNamara's men kick off their campaign against Australia, comfortably the best team in the world, at the Millennium Stadium in a match that will set the tone for the rest of the championship both on the pitch and in the stands. Win and rugby league will be back on the map in Blighty. Lose and it might all be a waste of time. No pressure then lads...



Baseball World Series

October 23rd to 31st

One of the longest slogs in sport is finally coming to its big climax – a marathon season of some 160-odd matches plus postseason playoffs condensed into a best of seven game winner-takes-all contest. This is the World Series of Baseball, a rather grandiosely titled affair that becomes a bit of a national obsession in the US for one week at the beginning of winter, especially if there's a couple of big sides involved. Water coolers up and down yankland reverberate with talk of steals, slides, curve balls, bunts and home runs. Heroes are made, players become legends –



and this year's World Series has the potential to be a classic.

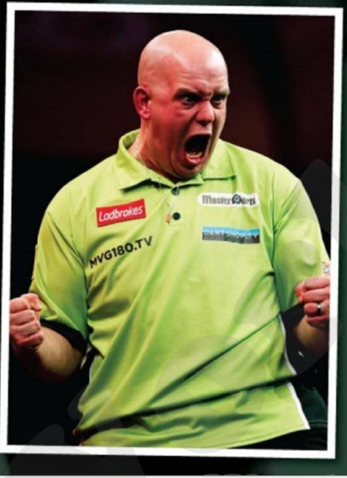
Of the teams left in the running, nearly all have some kind of potential fairytale or redemptive storyline underpinning their route to the World Series. The Detroit Tigers, with superstar pitcher Justin Verlander leading their challenge, will be looking to give the hard-hit city a much-needed boost, while the Boston Red Sox have the opportunity to bring some joy to the Massachusetts state capital after the tragic marathon bombings earlier this year. The LA Dodgers were declared bankrupt as recently as 2011 only to be bailed out by legendary basketball player Magic Johnson, and the Pittsburgh Pirates, criticised for being, amongst other things, 'futile' and 'embarrassing' before this season, haven't won a World Series in over thirty years.

The question of who might actually go on and win the thing is less clear-cut. With their 38 year old slugger David Ortiz currently hitting home runs for fun, the Red Sox were amongst the favourites at the time of writing alongside the Tigers, boasting the mercurial Verlander, and the Dodgers, fuelled by the return from injury of 36 million dollar opening batter Hyun-Jin Ryu. The race to the biggest prize in baseball is well and truly up for grabs, but whoever wins the World Series one thing is for sure – it's going to be emotional.

The Grand Slam of Darts

Wolverhampton Civic Hall – November 9th to 17th

The frustrating and enduring division between the two governing bodies in darts, the Professional Darts Corporation (PDC) and the British Darts Organisation (BDO), means that the best players in the sport rarely have the opportunity to go head-to-head in the really big tournaments. There are two official world champions; two separate sets of official rankings, and although many fans and commentators have their opinions (mostly Phil Taylor related), the situation means no-one can ever know for certain who is the genuine king of the oche. The Grand Slam of Darts goes some way to putting this right, and is unique in the UK in that it pitches the top arrow throwers from the PDC and the BDO together and lets them thrash out their differences over nine raucous days at the Wolverhampton Civic Hall.



> "Top arrow throwers from the PDF and BDO thrash out their differences over nine raucous days at the Wolverhampton Civic Hall"

The fact that the PDC sees itself as the superior governing body and routinely pinches the cream of the BDO crop means the rivalry can be fierce, with BDO stalwarts going all out to strike a blow against their better paid counterparts and younger, up and coming darters trying to make an impact and perhaps secure a big move to the more lucrative PDC circuit.

Regardless of where your loyalties might lie, the reality is that PDC players have by far the better record in this tournament, with only one BDO player, Scotty 'Too Hotty' Waites, winning the Grand Slam in the six year history of the event. Granted, one of the main reasons for this paucity of success is the scintillating form in the competition of the aforementioned Phil 'The Power' Taylor, who has four Slams to his name and who, after a successful year that has seen him win the World Championship, the UK Open and the World Matchplay, is the favourite this year.

Heading up the BDO challenge for the £100,000 prize is, perhaps unsurprisingly, one Scott Waites, although the Yorkshireman has had a mixed and possibly even rather relaxed year since winning the World Championship back in January. Saying that, Waites still works as a carpenter for a local housing authority, so maybe they've just had a run on bespoke skirting boards.

Whether Taylor, Waites, O'Shea or one of a raft of talented PDC chuckers such as Adrian Lewis or James Wade takes the Grand Slam at the Wolverhampton Civic this year, at the risk of sounding really fucking cheesy, the sport of darts will be the real winner. ♣

Maybe this isn't the time to go and buy a PS3, what with the next generation consoles just about to drop on the world. But, bizarrely, the PS3 has become a must-have console just as it has reached the end of its life-cycle. It has always had some good stuff, but the combination of *The Last of Us*, *Uncharted 2* and this – all PS3 exclusives – finally twisted our arm.

To be honest, this game alone might have been enough. An RPG developed in tandem with the legendary anime kings Studio Ghibli? We were giddy from the very first trailer. You play Oliver, a young boy travelling through a parallel world on a quest to become a magician so he can resurrect his dead mother. So far, so JRPG. But the Ghibli elements – beautiful graphics, incredible cut scenes, charming characters that could have leaped from *My Neighbour Totoro* or *Spirited Away* – lift this to the next level. And a Joe Hisaishi score too? You're spoiling us.

Of course, this isn't for everyone. It's still a role playing game, it's still full of combat and levelling up and quests. But they're brilliantly handled, even if we'd just have been content to wander about for hours on end soaking up the atmosphere and characters. It looks like it's for kids, but with some tough bosses to fight, this is definitely one for kids of all ages. An instant classic. ★★★★★

An overdue, bargain-priced Blu-ray issue for Brian De Palma's still shocking adaptation of Stephen King's slightly above average novel. With a Chloe Grace Moretz-starring remake about to emerge (the trailer is one of the meagre extras on here), this is ripe for another viewing. The performances are still outstanding, the mood one of mild strangeness rather than outright horror, but when it comes to the famous set pieces, the hi-def transfer steps its game up. It's not as crisp as new HD films, looking a bit smeary at times, but that's how De Palma filmed it. The remake? We've got a lot of time for Moretz, but we remain sceptical... ★★★★

The cover might lead you to believe that this is a modern day attempt to update *Stand By Me*. And while there are hints of that, this is a different beast entirely. For starters, the humour is more skewed – helped by three great kids in the lead roles and phenomenal support by Nick Offerman. It's a coming-of-age tale – three slightly disaffected boys build a house in the woods and move into it – but with a streak of Wes Anderson whimsy and a sweetness at its heart. Hearts are broken, kids get hurt, parents worry, but there's a laugh out loud moment around the corner. A minor triumph. ★★★★

God, how simple music used to be. You either bought a good quality midi or you bought a budget one from Alba. Maybe if you were brave or a yuppie you bought separates. Now there are thousands of different docks and lifestyle systems, some of which you need to plug into, some which stream. Where to start? Well, this isn't a bad place, especially as it's a soundbar that integrates a subwoofer so, as a result, the sound is really something, even when you're just chucking music kept on your phone at it. If you want to get into it, there's also a room calibration function, so the speakers match to the room you're in. Snazzy.

Pros: Lovely sound at this price.

Cons: Needs some tweaking for AirPlay.

It's testament to how the phone marketplace has developed that they tend to compete now on the playing field of screen resolution and camera megapixels. No-one cares about how good a phone it is. As a result, phones have become giant, merging into the world of the mini tablet. HTC have taken things the other way here, downsizing their excellent One series for people who perhaps don't have pockets the size of Madonna's twat. The camera is great, the screen lovely, and it's fully featured but the size does mean you're stuck with 16GB of storage and a battery that might not last until you get home.

Pros: Good features at a great size.

Cons: The eternal gripe of short battery life.

A curious entry to the market from Sony – this comes across as a hybrid tablet and laptop, although we're not entirely sure if this combination works just yet. The laptop element is great – the latest Haswell processor has it working at a lick, the specs are great, the screen and battery life both high-end. But the hinged touchscreen has usability issues when docked, making it not entirely portable. We also didn't like the small touchpad, the keyboard and the button placement – all of which have to be seen as major drawbacks. And if you're after a laptop with these specs, good as they are, you can get one for a damn sight cheaper. Sony don't do 'bargain'

Pros: Good laptop, light.

Cons: Pricey and not thought out properly. ♣

GALLERY GASH!

As locations for first dates go, a gallery definitely isn't top of my list but Matt had finally asked me out and I was more than happy for him to take me anywhere he wanted to go. He was an exciting blend of intelligent sophistication and cheeky charm.

"Hmmm, nice tits!" I stifled a laugh as we were surrounded by a chorus of disapproving tut-tutting from the rest of the group.

"Barbarian!" I scalded loudly. But I didn't mean it. Matt had been a perfect gentleman from the moment I'd seen him running up the gallery steps. He'd been late but I forgave him as the first words out of his mouth were to tell me that I was beautiful – not looked, actually was beautiful and he had pushed in close to steal a kiss. It had given me a thrill as he'd taken my hand in his and kept hold of it. With his casual and confident air being with him was easy and rewarding. He was very 'arty' and probably knew more about the exhibition than the guide – which made his uncouth comment about the sculpture we were examining all the funnier.

My heart pounded as he slipped his arm around my stomach and pointed-out some of the finer details of the sculpture. I had to agree that she did indeed have very nice tits – thanks to hours of painstaking craftsmanship. We were left behind as the group swept on and Matt tugged gently on my hand as I moved to follow. I turned and found him studying me with the same intensity with which he had been examining the statue. He kissed me, or I kissed him – I'm not entirely sure which. In any case, our lips became locked together for several glorious seconds.

It was so easy, like it was something we'd learnt to do a long time ago and had been practicing together a lot since. It was a truly great kiss – lingering, soft and erotic. Just how this girl imagines a first proper kiss should be. My legs felt disconnected from my brain as Matt tugged on my hand once again and we hurried to catch-up with the group. Unsurprisingly, that wasn't the last kiss of the afternoon. After that first stolen moment, every pillar and every corner presented an opportunity and Matt kept sweeping me up and kissing me.

He let go of my hand only to hold me round the waist, occasionally dropping his hand onto my bum. "First dates shouldn't be like this," I kept thinking to myself. It was playful and naughty and that led me to do something which would normally be out of my comfort zone. I escaped his clutches for a moment and as he looked back, I had a sudden urge to emulate the pose of the girl in picture next to me. I hooked my fingers under my top and bra and tugged the whole lot up, exposing my breasts. I held the pose for a couple of seconds before hurriedly yanking my clothes back into place.

"Did you see them?"

"I'll say." Matt grinned. "Best tits in the place." I was pleased and felt happy and comfortable as he pulled me in under his arm and he gave my right tit a cheeky squeeze.

At the next turn, Matt pulled me in for another kiss, only this time he used both hands to fondle my boobs. There was something else new as well: there was a noticeable ridge in the front of his trousers

> **Just the thought of letting him cum inside me was making my pussy twitch**

which I explored with my hands. As we groped each other, there was an unspoken moment as our lips broke apart and we both slipped further round the column. Matt was undoing his trousers and I was hitching-up my skirt and pulling my knickers to one side. Oh God, were we really going to do this?

I caught a brief glimpse of his erection before it disappeared under my clothes. Then I felt it as a hot blunt pressure running along my slit. His cock found the opening of my vagina and I gasped as Matt pressed it up inside me in a single stroke. I couldn't believe that we were having sex in the middle of a gallery – and on our first date! I supported my weight with my elbows on a handy railing and as Matt gripped my bum, I was able to lift both legs off the ground and wrap them around his waist. He grunted with the effort of holding me up while simultaneously pounding my hot little slot.

I was hyper-aware of every slurp and slap of flesh echoing around the chamber and the danger of discovery was appalling – the next party was due any moment and they would be able to see everything. Also, our guide would surely miss us – she had been most insistent that nobody got lost or separated.

There was a primal urgency, a mutual understanding between our bodies that this had to be quick. Already, Matt's thrusts were changing to the quicker and deeper rhythm of an approaching orgasm. Just the thought of letting him do it, letting him cum inside me was making my pussy twitch. I sighed with lust, thinking about doing the rest of the tour with his seed inside me. With a grunt, Matt drove in deeply and stayed buried in my pussy. He held me tightly as he gasped in my ear. He was pumping his cum into me and I could feel every pulse. My body heaved in response, filling me with wave after wave of ecstasy, a powerful reward for my dirty behaviour. Matt let me down and I was still bending over, trying to catch my breath as our guide appeared from around the column.

"Come on you two," she said, sounding rather exasperated. "This isn't the time or the place for canoodling."

"Sorry," Matt said, as the guide tried to bustle us along. "She's been feeling a bit light-headed." The guide's attitude changed in an instant to professional concern.

"You do look ever so flushed, dear. Perhaps you should just sit down for a moment and I'll get you a glass of water." I giggled as she hurried-off, using the opportunity to ease my knickers back into a more comfortable position. The guide didn't let me out of her

sight again but I didn't care – I'd already found the most impressive exhibit in the place and fortunately, I was able to take him home with me!

DRINK THEN PINK!

Okay. Here's how it goes. We're on holiday in Italy, and we go to the bar for a couple of drinks. That always makes my libido get up on its hind legs and beg. Just after I've finished my third cocktail, I disappear off to the toilets for a short while. On the way back, I pass you and put something in your coat pocket, with a grin on my face from ear to ear. I resume my seat a few metres away from you and wait.

Just as I planned, you put your hand in your pocket, withdraw its contents, and tentatively examine it. It's a tiny scrap of pink material, and it's damp. The little white patch of girly cum confirms it: they're my knickers. You look up hurriedly, and check that nobody has seen. The hubbub continues as normal. Looking over at me, you flash a wicked smile.

I hitch my skirt up a little and part my legs, showing you the merest hint of my pussy. Your friend comes up and starts talking to you. You nod and smile, your eyes fixed on me and my still-rising skirt. Pulling the nearest bar stool towards me, I rest my foot on one of the lower rungs. This allows you a full-on view of my pussy, and probably some of the other drinkers too, if they'd only care to look. As I go to grab another bar stool for the other foot, you know that I mean business, drink up and make a beeline for me.

> **"My lips are stretched around your veined girth, straining to get all your thick meat inside me"**

"Outside, now!" you whisper in my ear, and I giggle, wondering what's in store for me. We make a swift exit from the bar, and head for a deserted area, littered with sun loungers.

There's only one lamp, we walk past it, and further on, into the shadows. As soon as we pass the light, my hand is on the bulge in your jeans. I give you a playful squeeze. Suddenly, you grab my wrists, push me against the wall, and kiss me passionately. Your beer and my alcopops go together to form a tasty alcoholic base, and I plumb the depths of your mouth with my tongue hungrily. Then, just as quickly, you pull away.

"You dirty little bitch!" you say to me, "showing yourself off in the bar like that, for all to see. You're begging for it, aren't you?" You've got me there. Biting my lip, I slowly nod my head at you. I'm gagging for a shagging and we both know it. There's no point pretending now.

"I know what you want," you grin, unzipping your jeans to reveal your turgid prick. You put a hand on top of my head, and gently press down. I sink to a squatting position, so my skirt rides up to my waist. My legs are spread, and my soaking pussy is plain for you to see.

Your cock is wide. Not that long, but fat, and your helmet is already uncovered. Mmmm. Dinner. I look up at you as I open my mouth, and go to engulf your cock. I lick the tip to make the next part easier. Opening my mouth as far as it can go, I try to fit all of your helmet in my mouth. I love this bit, my lips are stretched wide around your veined girth, straining to get all of your thick meat inside me. Letting loose a little more saliva to aid the process, I finally make it over the rim, so the entire plum of your helmet is in my mouth. I swirl my tongue around it slowly, savouring the flavour, licking every inch of that gorgeous purple crown.

You put your hand on the back of my head again, encouraging me further down. I reach up with one of my hands to free your balls from your pants. Slowly, I start to massage them with one hand, rolling them around my palm. You nudge your cock further into my mouth, so it starts to slide down my throat. This makes my juices flood out of my pussy.

I'm desperate to have a fiddle as sucking

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Lizzy Caplan has made a pretty sweet career out of being pretty sweet in cult fare like *Freaks & Geeks*, *True Blood* (when it was still watchable), *Cloverfield* and the brilliant *Party Down*. Now she's in the big league as one half of Masters & Johnson, sexual pioneers, in the new series *Masters of Sex*. And how better to celebrate sexual liberation than for Lizzy to whip out her bum and boobs in episode one? Now here's a show we're not going to miss… ♣

TALES FROM THE REAR!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

180 DAYS!

It started as a bit of a joke. My best friend, Elizabeth, was going on a placement to Australia for six months and she was wondering how to make sure her man didn't stray while she was away. I offered to look after Nathan for Liz – it's no secret that I think he's gorgeous and we'd had several threesomes, so it wasn't as if I hadn't had sex with him already.

"You know, that's not such a bad idea," Liz said. "I really don't mind what you do with him while I'm away, so long as I can have him when I get back."

"Of course," I said, feeling my heart thumping wildly. We didn't tell Nathan until we were saying our goodbyes at the airport when Liz officially handed her boyfriend and his cock over to me for safe-keeping. Nathan looked amazed.

"You mean I can have sex with Jen while you're away?"

"Yes. But only Jen. No-one else," Liz said sternly. From the look on Nathan's face that was more than he had dared to hope for. It felt weird the first time we had sex without Elizabeth – especially since she hadn't even taken off! It was obvious that we both wanted it to happen straight away but we were unsure how to go about it as Liz usually led the way during our sex sessions. There was a kind of pressure – Elizabeth might not have been there but it felt like she was watching somehow and there an uncomfortable silence as we got naked.

> "It felt good with Nathan's cock in my bum, and even better when I pushed my fingers in my pussy"

Although we'd had had sex a few times, I knew that Nathan was wondering just how far I would let him go. And I was wondering about that myself as he moved in behind me and slowly inched his cock downward until the tip was resting between the cheeks of my arse. I knew that he often had anal sex with Elizabeth but he'd never had anal with me. I expected him to push his cock down and slide it into my pussy but he moved it back up, grazing my crack, keeping the tip between my bum cheeks, dragging it up and down over the puckered bud of my anus.

I quivered as I felt him press the blunt heat against my arsehole. He was telling me what he wanted and he was taking my continuing silence as a signal of permission to not stop what he was doing. Did he really want to stick it up my bum? Losing myself in the pleasure of the naughty thoughts, I parted my thighs even wider and pushed back, willing him to shove it in properly. Nathan sensed my acceptance and I felt cold lubricant squirt into my crack. It ran thickly down and Nathan used his cock to spread it around my arsehole. Then he pressed in hard.

"Ohhh!" I nearly swooned as I felt his cock penetrate just a little.

"You like that?" he asked, easing off.

I answered quietly, “No, I love it. Please don’t stop what you’re doing to me.”

“What am I doing to you?” he asked.

“You’re ass-fucking me,” I answered, in my sluttiest, dirtiest voice. He started pushing but stopped as soon as I made a noise. “Please don’t stop, I’m OK. Just stick it all the way into me.” Nathan’s cock pushed forward and I moaned with pleasure. This time he didn’t stop and his cock squeezed inside and entered my bum properly. Every sensation was so intense as he pushed his cock deeper and deeper. “Ohhh, fuck,” I moaned, and my fingers pushed down under my body and rubbed my clitoris as I angled my hips to allow Nathan to penetrate even more fully. My heart was pounding hard as I felt him pushing his cock in and out of my bum. I was actually being buggered by my best mate’s man – with her permission.

“God, I’ve always wanted to do this to you, Jen,” Nathan sighed. My best mate’s man had been thinking about fucking my ass – and now he was doing it. It was all so naughty. My blood was rushing hotly through my veins and pounding at my temples.

“And I’ve always wanted you to do it,” I admitted. “I want you to fuck my ass,” I gasped, “hard.”

Nathan moaned and I felt him shift on the bed behind me as he got into a better position. As I continued massaging my clit, I felt his hairy scrotum touch the back of my hand. He was fully buried in my bum. I rubbed hard and fast as Nathan quickened his thrusts into my bottom. My first orgasm rose up and washed over me seconds later. It felt so good with the whole of Nathan’s cock in my bum – and even better when I pushed my fingers inside my pussy, penetrating my slick, juicy hole, causing my body to surge even harder.

With my pussy also filled, the throbbing in my bottom seemed to intensify until the need to orgasm again was driving me mad. I cried out in heated desperation. "Oh Fuck, Nathan! Please! Deeper!"

Nathan groaned and started pounding my bum with long deep strokes which made my body tingle. The feel of his cock moving inside me thrilled my senses and my hips rocked as I searched for even for more stimulation. "I'm going to cum, Jen," Nathan warned.

"I want it in my mouth," I groaned happily. For the first time I wasn't going to have to give up Nathan's spunk to Liz. I wanted to make him spurt and I wanted it in my mouth. I turned tail and wanked Nathan's cock with it pointed directly at my open mouth. He groaned and white heat shot along the length of my outstretched tongue. We both knew that I was going to swallow it but I made sure to show Nathan what he'd given me first. As he sank back onto the bed, I rubbed my clit hard and fast and as I started to shake with the surge of a second wonderful orgasm, I wondered how many orgasms and how many loads of cum I was going to swallow before Elizabeth returned to claim her man. My body knotted in excitement – a girl can get through a lot of cum and a lot of orgasms in 180 days.
Jen, Notts

> "I turned over, thrust my arse up in the air and stretched my buttocks open for his hard cock"

WEATHER OR BOT!

I'm fed up with people moaning about the lousy British weather, because as far as I'm concerned it can piss down non-stop! You see, I love fucking outside in the pouring rain. The more torrential the downpour, the fewer people there'll be around to see it, and the more I can get into it. Mind you, there's still always some risk of getting found out, which just adds to the thrill.

Luckily, my boyfriend Martin and I live in a nice, rural area. We'll frequently take a drive into deep country, park up in a quiet spot and wander across the fields as it slashes down. I'll often wear my sexy, shiny black plastic coat with just a pair of stockings and panties underneath. I love the feel of the rain dripping off my hair and running under the collar of my coat, trickling in cold little rivulets down my bare back, over my tits (ooh!), and swiftly soaking my knickers and stockings.

Once we're out in the middle of nowhere, anything goes. A few times we've gone for an urgent standy-uppy job. I'll stand with my back against a tree, its rough, wet bark pressing into and scratching my shivering skin. I love that part! But my favourite is when Martin gets me to open my mac and lie back on some grass. The marshier, the better – there's lots of give! He'll dive on top of me and suck my rock-hard nipples (the cold's great for that!) and stick a couple of fingers into my slit. The rain hitting my body makes me tingle all over, and my cunt gets so slick with love juice, I'm up for almost anything sex-wise.

For instance, the first time I let him fuck me in the arse was in a sudden shower. I just went nuts, running naked into the back garden and rolling around on the lawn, frigging myself in ecstasy. Martin couldn't believe his eyes, and was soon out there with me, pumping my pussy with his lovely dick as the heavens opened above us. The noise alone was intoxicating, but the sex stuff – fucking hell! Martin slipped a finger in and out of my bum, and I felt so horny I just turned over, thrust my arse right up in the air and stretched my buttocks open for his cock.

It was raining so hard the water was stinging my back and arse, and when Martin slid his whole length straight up there, I came pretty much instantly. That didn't stop him ploughing away. He was relentless, and I was useless, like a rag-doll, just climaxing and climaxing without pause as he balled my bum. He didn't care how much I screamed in pleasure or how much noise I made that might alert the neighbours, he kept it up. He was a man on a mission – he'd normally have blown his load by now but it's almost like he was trying to prove a point and give me my best fuck ever.

The bit that sticks in my mind isn't the endless cumming, it's when he pulled his dick clean out of my arse and, holding my hands, started to fuck my face with it, letting me suck and taste all the juices from it. He did that a few times, and it turned me on so much each time that the minute he slid back into my arse, I came again. When he started to twitch, I was torn between wanting him to pump my arse with cum and taste that dick again. I went for a compromise – I let the first two jets go up my bum, then I wanked him into my wide-open mouth. He'd never shot so much before – there were at least 12 solid spurts of the good stuff. I played with him cum and let his cock go soft in my mouth as I sucked it clean – until it started to grow again!

We've tried screwing in the shower, but it isn't half as good as doing it in the open air beneath a bloody good cloudburst. So why not try something different, boys? Leave your brolly in your centrally-heated homes and let your girlfriend get soaking wet nature's way!

KRISTINA ♣

Something blue...

Kristina Rose is a funny one. Born in San Diego, she claims to have Mexican, Welsh and Scottish blood. We don't know what to make of that. However, we do know what to make of the fact that she's starred in such films as *Anal Cavity Search 7* and *Black in My Ass*. Oh yes.

"I've never met a cock I couldn't fit in my ass," she giggles. "Long or short, thick or thin, I love getting them in there. It's a wild feeling, it's like a different part of me takes over. I just focus on milking that cock with my ass muscles and it sets off intense orgasms. Maybe you'd like to give your cock a go..." ♣

What our well-placed moles are telling us this month...

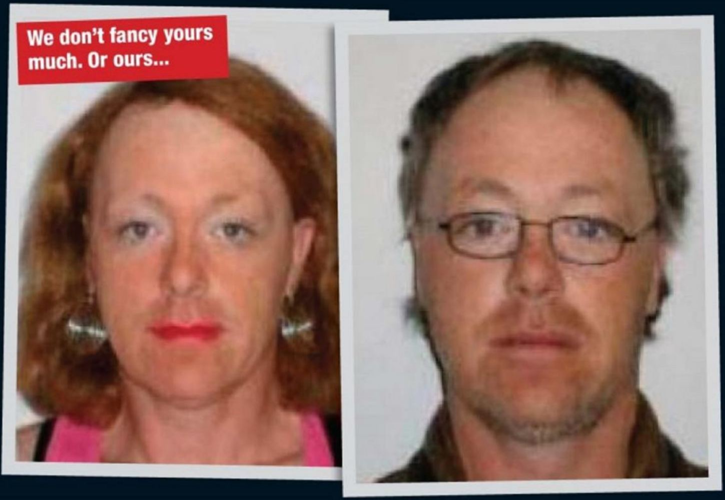
DOWN THE WIRE

Down Rover!

The day dignity died.

Apparently sheep are no longer good enough for the Welsh as 24-year-old Daniel Cooper attempted to demonstrate by stripping off and grinding himself against a 4x4 Land Rover. The self proclaimed 'Hotcock' Cooper, was convicted of indecent exposure and has been banned from going outside between 7p.m. and 7a.m. on Fridays, Saturdays and Sundays for three months. Unfortunately the Land Rover was unavailable for comment.

Flash Gordon!



We don't fancy yours much. Or ours...

Not quite a night at Madame Jojo's. 42-year-old Indiana man, James Reid-Sills was arrested dressed up in the rather fetching frock of his alter ego 'Jessica', reportedly flashing his genitals to passing cars in order to celebrate Friday the 13th. Reid-Sills was arrested at an intersection near his home and faces charges of public indecency. Sills is a registered sex offender, having served three and a half years of a seven year prison sentence. It's probably time for another short spell in the clink.

Slug-duhhh!

Flying hot dogs with the force to detached a mans retina, how long have those buns been lying around for? Kansas City mascot Sluggerrr has found himself in some hot wiener water, after launching a four and a half ounce hot dog into the crowd, allegedly hitting fan John Coomer in the face. Coomer took his complaint up with the Missouri Supreme Court with his re-attached retinas on the prize of $25,000 compensation. The jury's eyes were dry and the complaint was soon over ruled.

Yeah? You want onions with that?

Hand Sandy!

Cracking one out on the beach in Sweden appears to be vaguely acceptable according to a ruling by the Södertörn District Court. Prosecutor Olof Vrethammar presided over the case of a 65-year-old man who was charged with sexual assault after being caught with his budgie smugglers around his ankles in June, having a whale of a time on Drevviken Beach. As the gentleman in question's actions weren't directed at anyone the court dropped the charges. I think we can safely say Sweden has opened up a whole sea of worms. ♣
